Dear Mr. Baird:-

I have your letter of the fourth at hand and you will find attached a list of the active members of our club. This list is divided into four parts as follows:

Charter members	11	} 1 part
Honorary "	8	
Members	19	2 "
Associate "	19	3 "
Junior "	8	4 "

These figures are based on the ⁶⁵two month rule passed by the club a short time ago.

The average rate of additional membership for the past few months is eight per month.

The writers estimate of the number of members on Jan. 1, 1923 is ninety in good standing.

Very truly

Signed
